CITT Member Named President of Meyers Transportation

For Immediate Release:
February 18, 2010

Toronto, ON -- CITT is pleased to announce that Jacquie Meyers, CITT, has been named president of the Meyers Transportation Services (MTS) Group.

In her new role, Ms. Meyers will be focused primarily on growth, sustainability and logistics.

“I am thrilled to take on the new challenge and I’m very excited about the future of the Meyers Transportation Services group of companies,” said Ms. Meyers.

Ms. Meyers completed her Bachelor of Commerce at the University of McGill. She has worked in the industry for over eight years in pricing, operations, and sales. She has successfully managed Mosaic Logistics, a branch of the Meyers group, for the last two years.

Ms. Meyers remains committed to life long learning achieved through professional development, particularly in the areas of supply chain management, transportation, and technology. She recently earned her CITT designation.

“My CITT designation has helped me gain a better understanding of the supply chain while also introducing me to many influential people in the industry,” said Ms. Meyers.

Meyers Transport has been owned and operated by the Meyers family since 1927. The transfer of a company to the fourth generation represents a significant company milestone and a rare business achievement.
