

FOR IMMEDIATE RELEASE

## CITT's New & Improved CCLP® Route Finder Provides More Complete Information Faster

Toronto, Ontario – November 24, 2015

CITT has expanded the functionality of its personalized, online **CCLP® Route Finder** further, after a successful introduction earlier this year. The **CCLP Route Finder** now includes a 24/7 Quick Answer Centre to provide answers to common questions people have while exploring their fastest path to the **CCLP** designation. It can be accessed at <http://www.citt.ca/routefinder>

“This summer we saw great usage of this new service tool,” she said. “We just wanted to continue to improve it,” says Catherine Viglas, CITT President & CEO.

“The newly-integrated Quick Answer feature is designed to make it even faster and easier for people to get information about the designation, courses, and certification process,” she said.

“So many people with a wide range of professional experiences and educational backgrounds look to CITT for the **CCLP** designation. The improved **CCLP Route Finder** and its Quick Answers will be able to address the vast majority of their questions. Of course, the CITT team will continue to be available by phone and email to answer questions not covered in the **CCLP Route Finder**. This expanded support means that people will be able to get the information relevant to them quickly, when they want” Viglas emphasizes.

The CITT-Certified Logistics Professional (**CCLP®**) designation is an industry-preferred credential for everyone who buys, sells, or manages the flow of goods and product or is impacted by supply chain logistics. People can learn more about CITT's **CCLP**-bound courses at [www.citt.ca/courses](http://www.citt.ca/courses), register directly online *via* CITT's website at [www.citt.ca](http://www.citt.ca) or call CITT at 416.363.5696.

**Those starting their CCLP-bound course work in the upcoming January semester could be 60% or more of the way to completing the logistics learning requirement for the designation by the end of the year. The last day for people to register for CITT's Winter Semester is January 12th. Logistics courses start on January 14, 2016.** After CITT's record-hitting demand this year, people are encouraged to register for courses early to guarantee their spot.
